### International Book Week

This week is international book week. You are very welcome to come in and read a story to the children in a different language. Thank you to the parents who have already volunteered.

### Respect week

It is also 'Respect Week' where we will be encouraging the children to respect each other, themselves, the school and their belongings. Please support this at home by encouraging the children to look after their toys and to play nicely with their friends.

### This week we will also be:

- Having a fruit tasting session.  
You could encourage your child to try new foods and help them to use their senses to smell, touch and taste.
- Making potions in the sand and water areas.  
You could help your child at home making bubbly potions at bath time, talking about what they might use their potions for and writing labels and recipes!
- Reading stories and listening to music from different countries  
You could find some stories from different countries in the library or on the internet.

### And finally...

Please don't forget us when you are having a Spring clean...we are always very grateful for: old pots and pans, dressing up outfits, junk modelling boxes, empty soap dispensers etc. Thank you for all of the donations we have received so far- it is extremely helpful!

\*\* The dates for your child's focus week are now on the notice board.\*\*

This week we will be reading the Gospel story of 'The Unforgiving Servant' Matthew 18:21-35. We will be thinking about the themes of sharing and forgiveness and using the concept to count and share some coins out amongst the teddy bears.

You could pray this together at home:  
Dear God, Jesus told his followers that they must learn to forgive from the heart. Forgiveness is hard. Help us to learn to forgive. Amen.
