## Nursery Newsletter

Summer Term  
13<sup>th</sup> July 2015

### Writer of the week

Last week our writer of the week was

**Chide Odogwu**

Well done Chide, you painted the number 10 during number week!

### Writing Week

This week we are having a week focused on writing and phonics in the Nursery.

### Religious Education

We are finishing our RE topic 'The Church' by thinking about what makes Sunday such a special day. We will be exploring what happens at Mass, visiting the school Chapel and talking about our own experiences of Church.

At home talk to your child about what happens at Mass, why it is important to attend every week and that the Church is where God's family meets.

### Picnic

On Thursday 16<sup>th</sup> July we will be having a picnic. We will have one during the morning session and one in the afternoon. Parents are welcome to attend if you would like (10am or 1.30pm). If your child does not attend on Thursday you are very welcome to bring them in at either 10am or 1.30pm but you must stay with them. The food will be provided by the Nursery staff as a goodbye treat.

### Goodbye and thank you

A big thank you to all of you for helping us to have such a productive year in the Nursery. Your support and involvement have been invaluable and you have really helped to nurture your children's education. From donating junk modelling, sending in photographs and reading together at home to writing wow moments and coming in for focus meetings. Thank you for a wonderful year. We are sure that the children are really ready for Reception now and the many more milestones that will bring as they grow and learn.

### This week we will also be:

- Making a Nursery airport, writing tickets and boarding passes, making passports and checking flight times.

Please support us by talking to your child about holidays they have been on. Please send in any old tickets or holiday brochures you may have.

- Packing Joseph Bear's suitcase.

You could talk to your child about what they think he might need depending on where he is travelling to. They could even write a checklist for him or a luggage label.

- Visiting our new classrooms.

Please support us at home by being positive about this important transition time. Remind your child of the name of their new class and who their teacher is.

### And finally...

A big thank you for the huge support during sports day. It was a very hot afternoon but the children excelled themselves with their jumping, running and expert egg balancing! It is not always possible to hold separate events so it was especially nice to be joined by children who attend different sessions.

The school will close on Tuesday 21<sup>st</sup> July at 1.30pm. There will be no afternoon nursery on that day and children who stay for lunch must be collected at 1.30pm. Thank you.
