

# St Joseph's Catholic Primary School

## Nursery Newsletter

Autumn Term  
09th Nov 2015

### Star of the week

Last week our Star of the week was

**Marta Casado- O'Connor**

Well done, Marta you were our star because you showed great listening skills especially on our listening walk.

### Story of the week

To encourage the children's mark making skills we will be reading the story  
The Day The Crayons Quit.

### Religious Education

#### Gods Family

Thank you for bringing in family photos. The children have loved showing them at circle time.

This week children will be painting and drawing family pictures. We will also have a short prayer time thanking God for our family and knowing we are all part of Gods family.

### Songs of the week

**Rainbow song (to Mo Mo's rainbow song on Cbeebies)**

### Cooking

This week we will begin cooking with the children. We will cook every week on different days. We ask kindly for a voluntary donation of £3.00 per term to cover cost of ingredients. Sometimes the children will bring things they have made home and sometimes they will share what they have made in Nursery during their snack time.

### This week we will also be:

- Talking about Gods Family  
Can you help your child to make a picture of their family and bring it in to show at circle time.
- Using their name cards to encourage name writing.  
Can you have their name up somewhere at home so they get use to seeing it and begin recognising some letters from their name.
- Doing lots of mark making in different ways by using sand, paint, glitter, flour and glue.  
Please encourage your children to continue mark making at home in these different ways.
- Making cakes, for cooking children can choose what colour icing they want.  
Spotting colours in the environment and naming them e.g. look a bus its red, look grass its green.

### Donations

Thank you so much for all the milk bottle donations. We still appreciate donations for the children's creative area (just old recycling you have at home!). Please send in paper, boxes, kitchen roll tubes, card, plastic bottles and containers.  
Thank you!
