## Nursery Newsletter

Autumn Term  
23rd Nov 2015

### Star of the week

Last week our Star of the Week was

**Kyma**

Well done Kyma! You are a star because you were able to find lots of numbers when you were playing with the dinosaurs!

### Story of the week

Last week, the children had a wonderful time having tea parties in the 'Home Corner' so we chose this wonderful book to help to develop the children's role play.

### Religious Education

#### God's Family

The children will be learning about the importance of sharing with others. We will be reading simple stories about special Saints, such as St Nicholas, who shared with others in need.

### Songs of the week

#### Down in the Jungle

Down in the Jungle where nobody goes,  
There's a great big tiger, washing his clothes  
With a rub a scrub here and a rub a scrub there,  
That's the Way, He washes his clothes!

We will also be beginning to learn our Christmas Song.  
The tune can be found on Youtube 'Children's song for Christmas / Let's Follow the Star'

#### Let's Follow the Star

Let's follow the star, follow the star, follow the star,  
Let's go far away!  
Let's follow the star, follow the star, follow the star,  
It will lead the way!

### Writing Area

We would be very grateful to receive the following items for our 'Post Office' Writing Area; Various sized envelopes and used stamps, brown paper and string, unwanted junk mail envelopes, airmail stickers, unwanted Postman Pat books. etc.  
Thank you!

### This week we will also be:

- **Painting and making jungle / wild animals**  
You could share books at home or from the library about tigers and other jungle / wild animals.
- **Developing our 'Writing Area' into a Post Office.**  
You may wish to take your child to the Post Office and talk about why people go there. Maybe your child could draw a special picture and post it to a friend or relative.
- **Making sandwiches for our 'Tiger who Came to Tea' tea party.**  
At home, the children could make sandwiches with you. Ask your child to choose their favourite fillings. Use cookie cutters to experiment with different shaped sandwiches. Maybe try new combinations like cream cheese and grated carrots to encourage healthy choices!

### Guttering needed!

We would really appreciate donations of **unused** long, medium and short lengths of white or black plastic guttering and connectors. We are looking for these to expand the range of 'real' resources in our outdoor play area. Maybe you know a plumber or have some unwanted pieces cluttering up your garden shed!
