Star of the Week

Last week our 'Star of the Week' was

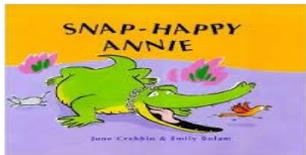

Wiktor

Well done, Wiktor! You have done a great job of sharing your news with us all in English.

Story of the week

This week we have chosen Snap- Happy Annie. We have been talking about feelings and emotions., this a great story to show how to be kind to others.

Religious Education

We will be learning that we need to remember to say sorry if we hurt somebody. The children will also be listening to the story of Zacchaeus.

PALS

This week's theme is 'Empathy'. The children will be learning about understanding and responding to the feelings of their friends.

Song of the week

Teasing Mr Crocodile

5 Cheeky Monkeys swinging in a tree,
teasing Mr Crocodile you can't catch me,
you can't catch me. Along came Mr
Crocodile as quiet as can be and SNAP!!!
Repeat counting down.

This week we will also be:

Painting pictures of our Mummy.

As it is Mother's Day on the weekend the children will be painting portraits of their mummies. We will display them in Nursery and we would love you to come in to see your mothers day pictures on display.

World Book Day

On Thursday 3rd March the children, can come to nursery dressed as their favourite book character. Maybe the children can dress up as a character from one of our Story of the Weeks, eg Red Riding Hood, Jack, Goldilocks, Grandma etc. **Please don't feel the need to buy an outfit!** You could always use clothes that you already have at home. Please bring in the book to Nursery on that day as the children will show their book and talk about why they like the story.

Bugs, coughs and sneezes

It has come to our attention that some parents are feeling anxious about their child catching coughs and colds etc.

Please be assured that this really is a normal part of early childhood and is quite common at this time of year!

However, as a team we take infection control very seriously and do all we can to prevent the spread of illness. The Nursery is cleaned to a very high standard every day. We endeavor to teach the children to wash their hands regularly and to use a tissue and dispose of it when wiping a runny nose etc. Please remind your child of basic hygiene at home to support us, eg. covering their mouth or nose if they cough or sneeze. If your child has a temperature or is sick, please don't send them in as this is the best way to avoid other children getting ill. Thank you for your support!
